Solar Panel	Solar World AG	Germany
Inverter	SMA	Germany
Power Monitoring System	SMA	Germany
Hot Galvanized Steel Structure	BSRM/Engreen	Bangladesh
Cable	BRB	Bangladesh
Fire Protection System	ABC	Malaysia
Digital Energy Meter	HOSAF	Bangladesh

Engreen Limited carried out the entire work with adequate responsibility in a professional manner, meeting various deadlines to achieve the desired targets within the stipulated time 14th May, 2014. We have found **Engreen Limited** consistently tackling all assignments with dedication and high level of cooperation. We have noticed their workforce to devote themselves with high degree of diligence and effectively multi-task to ensure that all the deliverables are done in a timely manner. We particularly appreciate their Management's willingness to come up with new initiatives, communicating the benefits and also welcoming our new ideas, which successfully resulted in increased satisfaction to an Internationally Acclaimed Research Institute like us (**Bangladesh Jute Research Institute**).

As a whole we are satisfied with the quality of material supplied by **Engreen Limited** and the quality of their workmanship.

We congratulate **Engreen Limited** for a job well-done and wish them every success in their future assignments.
